

Getting Started with Sensori Connect

Sensori Connect allows you to monitor your refrigeration equipment quickly and easily. Users can safely explore the app without affecting system operation.

LOG IN

- 1 Open the Sensori Connect app
- 2 Enter your email and password
- 3 Select Sign In

If you've forgotten your password, select Forgot Password or contact your system administrator.

NAVIGATE THE APP

The app is organized into easy-to-use sections.

- **Zones** – Displays all systems and equipment grouped by location or area
- **Cases** – View refrigerated cases and fixtures
- **Systems** – View refrigeration systems and standalone equipment
- **Alerts** – Check active and recent alerts
- **Reports** – View historical trends and equipment data

CHECK EQUIPMENT

Select any system or case to view:

- ✓ Current operating conditions
- ✓ Temperatures
- ✓ Equipment status
- ✓ Additional information

VIEW ALERTS

The Alerts screen displays current and recently resolved alerts.

- ✓ Select an alert to view additional details

VIEW TRENDS

Use Reports to:

- View historical temperatures
- Change the date range
- Review equipment performance over time
